Not sure if we want to open it up because we have a 40 person cap. Maybe one final nudge to the attendee list will help.

I can send a reminder to the CCA folks I sent the email to last week, unless we want to open it up?

Hello!

Just looking at RSVPs for tomorrow and I think we're a little light. With the resident mixer, we had half of the RSVPs show up. If that's the case, we're looking at a 20-25 people for tomorrow. Mike is going to send another email this afternoon as a last call to RSVP for tomorrow night.

Mike- please let me take a look before you send it.

Is there another CCA email going out before the event?
